

INDUSTRIAL LAND FOR OWNER-OCCUPIED MANUFACTURING – CERHOVICE

Location: Cerhovice, Central Bohemia, Czech Republic

Land area: 9,985 m²

Zoning: Industrial – Light Manufacturing & Technology (VK)

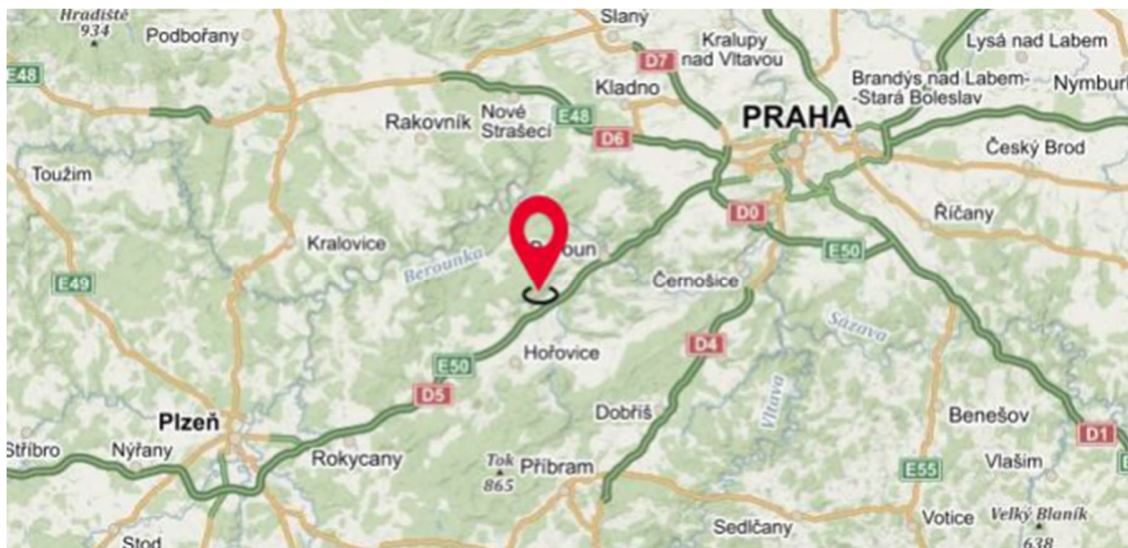

A compact industrial land plot is offered for sale for a single end-user.

This is not a logistics or speculative development project.

Suitable use:

- light manufacturing
- assembly
- technology and service operations
- administrative facilities

The site provides high regulatory certainty and is suitable for long-term CZ manufacturing presence.
