
1. Prohibition of entry as referred to in point I. 1. of the Resolution does not apply to:

- international transport: lorry drivers, bus drivers, transport aircraft crews and aircraft crews carrying out airline works, train drivers, train crews and carriage inspectors, ship's captains and crew members, crew of vehicles of road managers and a driver of a vehicle up to 9 persons, who is an employee of the same employer and who is transporting any of mentioned categories of persons to the place, where they are to perform the activity, or transport them back, and the empty journeys associated with those transportations,
- members of the mission under the Vienna Convention on Diplomatic Relations and members of the consular posts under the Vienna Convention on Consular Relations accredited in the Czech Republic, and officials of international organizations with the mission based in the Czech Republic, registered with Ministry of the Foreign Affairs of the Czech Republic, including their family members,
- officials of international organizations in case of their necessary journey to the Czech Republic,
- members of integrated rescue services, including mountain rescue service, and members of other components of integrated rescue services,
- cross-border workers crossing the border with the Slovak Republic or the Republic of Poland for the purpose of work performance within the distance of 100 km from the state border with the aforementioned country (demonstrably regularly in frequency at least 3x per week, having the confirmation for cross-border workers and “a cross-border worker booklet” – both found at the website www.mvcr.cz)
- cross-border workers crossing the border with the Federal Republic of Germany or the Republic of Austria for the purpose of work performance (demonstrably regularly crossing these internal borders at the most 1x per 21 calendar days and who have the confirmation for cross-border workers and “a cross-border worker booklet”). At the second crossing of the border for the purpose of work performance into the Federal Republic of Germany or into the Republic of Austria the cross-border workers must prove that they have finished an obligatory two week long quarantine. The crossing of the border for work performance above the distance of 100 km from the state border is applicable only at the main border crossing points with the 24/7 regime.
- experts in the fight against epidemics, in humanitarian and medical aid, as well as doctors and medical nurses working on the territory of the Czech Republic, if they are EU nationals and at the same time are not so-called pendlers,
- members of the European Parliament,
- holders of diplomatic and service passports issued by the Czech Republic,
- minors under the age of 18 if his/her parent is a citizen of the Czech Republic, as well as a parent of a minor under the age of 18 who is a Czech citizen,
- persons in case of unforeseen emergency situation, e.g. persons transferring blood, biological material, bone marrow for the purpose of transplantation or collection teams of transplantation centres transporting organs for transplantation, or persons undergoing surgery or serious medical treatment abroad because of their serious medical conditions, childbirth (father’s journey also allowed – must be proved), as well as funeral service workers during the transfer of a deceased (human remains) or workers conducting the transfer of a patient in an ambulance from a territory of another Member State through the territory of the Czech Republic or into the territory of the Czech Republic, farmers working on the territory of the neighbouring state in the borderland,
- workers of chemical and pharmaceutical operations in the field of fight against the epidemic (e.g. production of protective equipment and disinfectants), staff of critical infrastructure, critical information infrastructure and other or related energy infrastructure and workers managing and
servicing chemical and pharmaceutical operations in the field of fight against the epidemic and critical infrastructure, including service of IRS equipment, etc. – see the confirmation sample on the website of the Ministry of the Interior,

- Czech citizen picking up his/her family member (children, parents, spouses, siblings) at the international airport – only after presenting the ticket/boarding pass,
- EU citizen transiting through the Czech Republic territory to his/her home country – the transit must be proved by at least a signed declaration of honour,
- foreigner with residence permit in another EU Member State transiting through the Czech Republic territory – this transit must be proved by at least a signed declaration of honour,
- civil servants, members of the security corps and soldiers on a significant mission

2. Prohibition of exit as referred to in point I. 2. of the Resolution does not apply to:

- foreigners with temporary or permanent residence permit above 90 days who show interest to exit, however they will not be allowed to enter on the territory of the Czech Republic for the period of validity of the state of emergency,
- Czech citizen with a proven residence permit in another country,
- diplomatic officers, administrative officers, consular officers and technical officers, including their family members, pursuant to Section 2 of Act No. 150/2017 Sb., on Foreign Service and amending certain acts,
- officials of international organizations,
- international transport: lorry drivers, bus drivers, transport aircraft crews and aircraft crews carrying out airline works, train drivers, train crews and wagon examiner, ship’s captains and crew members, crew of vehicles of road managers and a driver of a vehicle up to 9 persons, who is an employee of the same employer and who is transporting any of mentioned categories of persons to the place, where they are to perform the activity, or transport them back, and the empty journeys associated with those transportations,
- members of the mission under the Vienna Convention on Diplomatic Relations, members of the consular posts under the Vienna Convention on Consular Relations, and officials of international organizations, including their family members,
- members of integrated rescue services, including mountain rescue service, and members of other components of integrated rescue services,
- cross-border workers crossing the border with the Slovak Republic or the Republic of Poland for the purpose of work performance regularly in frequency at least 3x per week, having the confirmation for cross-border workers and “a cross-border worker booklet” – both found at the website www.mvcr.cz (i.e. cross-border workers/pendlers) for the purpose of work performance within the distance of 100 km from the state border with the aforementioned country,
- cross-border workers crossing the border with the Federal Republic of Germany or the Republic of Austria for the purpose of work performance (demonstrably regularly crossing these internal borders at the most 1x per 21 calendar days and who have the confirmation for cross-border workers and “a cross-border worker booklet”). At the second crossing of the border for the purpose of work performance into the Federal Republic of Germany or into the Republic of Austria the cross-border workers must prove that they have finished an obligatory two week long quarantine. The crossing of the border for work performance above the distance of 100 km from the state border is applicable only at the main border crossing points with the 24/7 regime,
- experts in the fight against epidemics, in humanitarian and medical aid (especially epidemiologist) – this does not apply to everyday work performance of doctors and nurses, etc. if they are not at the same time so-called pendlers,
- members of the European Parliament,
- holders of diplomatic and service passports issued by the Czech Republic,
- persons travelling in case of unforeseen emergency situation, e.g. persons transferring blood, biological material, bone marrow for the purpose of transplantation or collection teams of
transplantation centres transporting organs for transplantation, or persons undergoing surgery or serious medical treatment abroad because of their serious medical conditions, childbirth (father’s journey also allowed – must be proved), as well as funeral service workers during the transfer of a deceased (human remains) or workers conducting the transfer of a patient in an ambulance from a territory of another Member State through the territory of the Czech Republic or into the territory of the Czech Republic, farmers working on the territory of the neighbouring state in the borderland,

• workers of chemical and pharmaceutical operations in the field of fight against the epidemic (e.g. production of protective equipment and disinfectants), staff of critical infrastructure[2], critical information infrastructure and other or related energy infrastructure and workers managing and servicing chemical and pharmaceutical operations in the field of fight against the epidemic and critical infrastructure, including service of IRS equipment, etc. – see the confirmation sample on the website of the Ministry of the Interior,

• Czech citizen picking up his/her family member (children, parents, spouses, siblings) at the international airport – only after presenting the ticket/boarding pass,

• civil servants, members of the security corps and soldiers on a significant mission

The citizens of Switzerland, Lichtenstein, Norway, Iceland and Great Britain are considered in this regard as citizens of the EU.

[1] Critical infrastructure is an element of critical infrastructure or a system of elements of critical infrastructure, of whose disruption would have a serious impact on the state security, securing basic living needs of population, health of persons or the state economy.
